Report on Continuous Internal Assessment

The parent university i.e. University of Mumbai has revised the entire curriculum and evaluation system in the year 2016-17. Previously, the internal assessment have been given 40% weightage in the curriculum however, now it is restricted only for one course in first and second year of undergraduate programmes and 40% weightage for internal assessment is kept as it is for post graduate programmes i.e. M.A. and M.Com. in our college.

Though 2020-21 was pandemic year the college hoped that the situation will return to normal and as its usual practice, in June, 2020 it prepared its academic calendar for the next year and displayed it on notice boards and on its website.

The examination committee had taken into consideration the slots reserved for internal evaluation and prepared and displayed the time-tables well in advance. However, owing to the continuation of the pandemic the University of Mumbai has changed its exam schedules from time to time. Consequently, the college had to change its schedules including that of internal evaluation (CIE). However, due care was taken that the students and the quality of education will not suffer in any case and all semester end examination and internal evaluation tests, assignments, projects, etc. were satisfactorily completed and results were declared within time frame.

During the year 2020-21, Continuous Internal Evaluation (CIE) is done in following forms. Assignments, Class tests and projects are accepted online and evaluated offline

Form of CIE	Marks out of 100	Class	Courses
Assignment	25	F.Y.B.A – I and II	Foundation Course
Assignment	25	F.Y.B.Com. – I and II	Foundation Course
Assignment	25	S.Y.B.A. – III and IV	Foundation Course
Assignment	25	S.Y.B.Com. – III and IV	Foundation Course
Assignment	20	M.A. History – I, II, III and IV	All Courses
Class Test	20	M.A. History – I, II, III and IV	All Courses
Class Test	40	M.Com. – I, II, III and IV	All Courses
Project	100	M.Com. – III and IV	Project Work

During, 2020-21, class tests were replaced by assignments for post graduate programmes.
